Student Fundraising Activities

With the permission of the school administrator, students under the direct supervision of their advisers may carry out fundraising activities in which no outside fundraising agency or contract is concerned.

Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval by the school administrator.

Activities concerned with fundraising for charitable or other causes not relating to school activities may not be carried on without prior approval of the school administrator.

Non-School Sponsored Student and Athletic Tours/Trips/Competitions

Bethany Charter School does not sponsor, endorse or financially contribute to the variety of non-school sponsored study and athletic tours/trips/competitions available to students.

Bethany Charter School does not recruit for, or have input into, the selection of programs, many of which are not open to all students. Such tours, trips and competitions are under the sole auspice and control of the sponsoring organizations/groups.

Students/advisors who raise funds for their personal participation in such activities may not raise moneys for such travel as a representative of the school. The school name may not be used unless the communication clearly identifies the sponsor as a group other than the school. Students/advisors may not use school supplies, materials or facilities in conjunction with such trips or their related fund raising. All planning of such trips or activities must be done outside of school hours.

Staff members are prohibited from using their contact with students to advertise or recruit for summer or other holiday travel which involves their supervision of students. School staff will not advise parents regarding selection of such trips or tours for their youngsters.

Parents are advised to consider carefully the activities that are available to their sons and daughters.

Parents have an obligation to ensure that patrons of Bethany Charter School or Silver Falls School District do not assume such activities are school sponsored or funded.
