1. Objective:

Define the process for nominating people for board selection to replace board members at the end of their term.

2. Eligibility for nomination:

Residents of the community of Silverton or parents of children attending Bethany Charter School are eligible to be nominated.

3. Nomination process:

Each nominee must have a petition presented on their behalf to the School Board with the signatures of support of 10 community members or parents of children who are not currently school board members. Five of those community members must have children in Bethany Charter School. The five members having children in Bethany Charter School must represent five different families. The person being nominated must approve the petition. The nomination petition may be obtained from the Bethany Charter School office or from the Bethany Charter School Board Secretary.
