Bethany Charter School Parents Commitment to their
Child's Education Agreement
Fair Share Hours

I would really like to get the school into great shape while the student body is unable to attend school. During the pandemic, I am looking for volunteers to spiff up the campus. Please take time to ponder our needs and only **if you can and **would like to** help with school wide beautifications please sign up.**

Why do we have Fair Share Hours?

Bethany Charter School has Fair Share Hours for several reasons. One important reason is that Fair Share Hours Provide service to the school that keeps the costs down. Charter Schools are funded differently then public schools are. It is the goal of the Fair Share services to keep costs down so that the funding monies go to the development of the school and the educating of our Bobcats. The best reason for Fair Share Hours, however, is that volunteering is a great way to meet other school families and to participate in creating the community that supports your child's education. Strong parent involvement is an indicator of a strong school. We appreciate your enthusiastic involvement.

What are Fair Share Hours?

Fair Share Hours represent time that adult family members spend in volunteer activities that benefit the school. Example of these volunteer service activities include school fundraising, classroom helpers, hot lunch preparation, and facility maintenance.

How do I sign up for Fair Share Hours?

Parents simply send Mrs. Frank an email sharing their desire to help with the beautification and what area they are interested in helping with.

Following is a list of volunteer opportunities during the comprehensive on line learning portion of our school year.

Painting

Landscape

Moving playground equipment

Building

Weed-whacking

Pruning

Weeding

Edging

Leaf pick up and blowing

If you are unable to commit time to your child's school during the pandemic, **do not worry**. We are all handling the situation in our own way. Mrs. Frank will be the project manager. And will organize the volunteering schedule accordingly. frank_kathy@silverfalls.k12.or.us
